## FUN STUFF FROM AABP ...

Which way does a compass point in space?

**If all is not lost, where is it?**

Cats are smarter than dogs. You can't get six cats to pull a sled through snow!

**It's good sportsmanship not to pick up lost golf balls while they're still rolling.**

No woman should ever be quite accurate about her age. It looks so calculating.

**Children are a great comfort in your old age -- and they help you reach it faster, too!**

St. Francis of Assisi once said: "Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible."

**You can say what you like about long dresses, but they cover a multitude of shins.**

He loves parties. His middle name is RSVP.

**It's important to remember: one doesn't have to think to form an opinion.**

Just because there are two sides to every argument doesn't mean either one is right.

**Will Rogers said: "The man with the best job in the country is the Vice-President. All he has to do is get up every morning and say, 'How's the President?'"**

The reason that talk is cheap: There's more supply than demand!

**A honeymoon is when you go to a crowded resort so that you can have some time alone.**

Old age is when gravity is more than a law; it's an adversary.

**You're never too old to become younger.**
