FUN STUFF FROM AABP ...

I like long walks, especially when they're taken by people who annoy me.

Everywhere is within walking distance if you have the time.

The laziest man I ever met put popcorn in his pancakes so they would turn over by themselves.

Nothing he wears every matches. We think he buys all his clothes at Hart, Schaffner, Barnum & Bailey.

I knew a girl who went to beauty college and flunked cosmetics. They let her take a make-up exam.

We should all feel sorry for short people. When it rains, they're the last to know.

Pinocchio's nose got longer every time he told an untruth. It kept him out of politics.

Anyone can get old. All you have to do is live long enough.

Always forgive your enemies. ... Nothing annoys them so much.

Middle age is a time of life when the most fun you have is talking about the most fun you used to have.

When you get right down to it, rich people are just poor people with money.

Love is staying awake all night with a sick child -- or a healthy adult.

I personally stay away from health foods. At my age, I need all the preservatives I can get.

When you get your hospital bill, you understand why surgeons wear masks in the operating room.

Punctuality is something that, if you have it, all too often there's nobody around to share it with you.

Demons are a ghouls' best friend.

All Aboard!
