Now ... on with the "fun stuff" ...

FUN STUFF FROM AABP ...

Celebrating their silver wedding anniversary, the wife turned to her husband and said, "Will you still love me when my hair turns grey?" He replied, "Why not? Haven't I loved you through six other shades?"

Now and then it's good to pause in our pursuit of happiness and just be happy.

Let your heart guide you. It whispers, so listen closely.

Does a house with an imitation fireplace only have to get imitation fire insurance?

The better a woman looks, the longer a man does.

The bride didn't look happy, she looked triumphant.

Car sickness: a sensation experienced when car payments are due.

For us older folks -- remember when --

All the girls had ugly gym uniforms?

It took three minutes for the TV to warm up?

I hope that you and your co-workers enjoy this "Fun Stuff"

Hey, I'm also a Texas Realtor®
Call me if you want to buy, sell, or build a house.

When a quarter was a decent allowance?

You'd reach into a muddy gutter for a penny?

Your mom wore nylons that came in two pieces?

Laundry detergent had free glasses, dishes, or towels hidden inside the box?

They threatened to keep kids back a grade if they failed ... and they did it!

When a '57 Chevy was everyone's dream car ... to cruise, peel out, lay rubber, or watch submarine races, and people went steady?

No one ever asked where the car keys were because they were always in the car, in the ignition, and the doors were never locked?

Playing baseball with no adults to help kids with the rules of the game?

Stuff from the store came without safety caps and hermetic seals because no one had yet tried to poison a perfect stranger?

And with all our progress, don't you just wish, just once, you could slip back in time and savor the slower pace, and share it with the children of today?
